“ So many fun memories spent with your Dad and Mom when we were still single . Esp the fun, crazy camping trips. Then with the whole family at Bear Creek swim club! Remember when your Dad won the belly flop contest!! Rest In Peace Jay!

“ Miss you dad so very, very much!  
Thank you for helping to mold me into the person I am today. You could always make me smile and I had a lot of respect for you. You were witty, honest, sincere, blunt and funny with a side of southern charm. I'm glad you were my dad!  
Rest now. ❤️

“ Sure going to miss visiting you in the summer, Jay. I hear the fish are always biting "up there". Don't catch them all before I join you. Dee
